

## **The Red Boot Coalition is coming to Chesterbrook Residences!**

### **We listen. We learn. We lead.**

Tired of the overwhelming “us versus them” rhetoric prevalent in our world today?

Whether it's in politics, religion, race, or gender, there seems to be no escaping it.

### **We believe there is a better way.**

We exist to:

- Provide safe places where people can engage in honest sharing and compassionate listening.
- Challenge biases
- Question assumptions
- Break down barriers
- Change how we lead at home, at work, and within our communities

**Please join us for an information session in the multi-purpose room at 10:30 am on Saturday, May 20!!**
